To whom it may concern:

This is a recommendation for Mr. Frank Tucker who this community has known for many years. Mr. Tucker has been contracted to do work for us and some of our residents. He has also served on the board of directors and been a valued member of the community. He has continued to be an asset as we sometimes call on him for advice.

Should you require more information I may be reached at 954-294-8747.

Sincerely,

Norm Blanco, President
